

Appendix 1 – Open Book Examination Journey

Your NEBOSH open book examination journey

OBE Technology Requirements

The OBE is an examination that needs to be downloaded, completed and submitted via the NEBOSH online examination platform within a specified 24-hour period. This can be completed at home so long as the Learner has:

- Internet Connection

NEBOSH online examination platform is compatible with the following browsers:

- Desktop: Chrome, Firefox, Safari, Edge, Internet Explorer
- Mobile: Mobile Safari, Google Chrome

- Access to a device capable of downloading and viewing a PDF document

This can be a computer, smartphone or tablet. If the Learner plans to use a smartphone or tablet, the Learner can download the Moodle app for free from the Apple or Android store.
